Ryan,

I just walked out of our final membership team meeting of the month, and I wanted to remind you that **you haven't activated your Heritage membership this year**. The deadline is Friday, so please act quickly!

**We need you to join us.** Help us push back against radical liberals who are determined to undo our conservative policy victories. We can't do it alone.

I know you wouldn't want your Heritage membership to expire. Your membership has accomplished so much in advancing your principles of limited government and individual liberty.

Now, in this critical year, the conservative movement needs you most.

**Here's your secure link to activate your membership today:** [https://secured.heritage.org/ 2020/kickoff](https://secured.heritage.org/2020/kickoff)

Thank you so much for all you do for Heritage!

Best,

Maggy Smith

**P.S. Please don't abandon the progress you've made in advancing your principles of free enterprise, limited government, individual freedom, traditional American values, and a strong national defense to chance this year. This is the time for all conservatives to rally. Please act now:** [https://secured.heritage.org/ 2020/kickoff](https://secured.heritage.org/2020/kickoff)
